News and Business.

The California steamer *Star of the West* (about which some apprehensions had been felt) arrived at New York yesterday with 400 passengers, one and a quarter millions in specie, and the California mails to September 4th. A synopsis of the news will be found under the telegraph head.

A vessel arrived at New York yesterday, with three more survivors from the wreck of the *Central America*. They were picked up after drifting about the ocean for *eight* days without food, or water.

The Money and Produce Markets East were decidedly better yesterday. No new failures were reported and a more buoyant feeling was manifest. Matters in our city were very quiet; business almost at a stand, the Wheat market dull and drooping; Eastern Exchange not to be had; and gold held at a very high premium. It does not seem possible that commercial affairs should long remain in such an unnatural condition. There must be a decided change, ere long, and we think and hope for the better.

Opening the Campaign.

We publish this morning a list of appointments for Judge RANDALL, the Republican candidate for Governor, and calls for two public meetings in this city for *to-morrow* and *Thursday* evenings. Let our Republican friends, in the Counties where Judge RANDALL is to speak, give due notice of his coming, that the People may hear and heed what he has to say. And let the Republicans of our city, and all others who wish to know the grounds upon which the Republican cause and candidates are so earnestly and confidently commended to the popular support, attend the meetings to-morrow and Thursday.

Milwaukee & Mississippi R. R.

EARNINGS FOR SEPTEMBER—COMPARATIVE TABLE.

The earnings of the Milwaukee & Mississippi R. R. for September just past are within a fraction of $120,000, against $92,856 for the same month last year.

The table of earnings compares thus far with the last year as follows:

	1856.	1857.
January,	$36,589	$28,127
February,	28,531	33,774
March,	30,568	40,186
April,	35,522	45,981
May,	61,367	80,708
June,	66,086	111,410
July,	63,060	89,617
August,	56,864	80,989
September,	92,856	120,000
	$481,138	$630,737

Increase this year, so far, $149,599. Owing to the late opening of navigation, it was not till June that any considerable increase of business was obtained from the extension to the Mississippi.

The remaining months of last year earned as follows:

October,	$120,146
November,	55,779
December,	33,403

A considerable increase on these figures may be expected this year.

WALWORTH COUNTY.—The Republicans of Walworth County have nominated JOHN W. BOYD for State Senator, and Mr. WENTWORTH for District Attorney. Our friends in Walworth promise two thousand majority for the Republican State Ticket this fall.

PROPELLER REPUBLIC BURNED.—The propeller *Republic*, of the N. Y. and Erie line, running between Detroit and Dunkirk, was burned on Friday last at Sandusky. She was owned by the Erie R. R. Co., and Capt. Ludlow, and was insured.

WRONG.—The Fond du Lac *Journal* says that the La Crosse & Milwaukee R. R. Co. although "the Milwaukee dailies informed the public that it would carry passengers to the State Fair at half price," charged them *full* price.

We made the statement at the request of Mr. DAGGETT, one of the Executive Committee of the State Society, and supposed that the agreement was really made by the Company.

UP RIVER FREIGHTS.—The published list of imports by the river at St. Paul for the season to October 1st, show that the goods received *via* Prairie du Chien at that place, are greater than from all the ports on the river north of St. Louis, including those from the latter city.

DESTRUCTIVE FIRE AT ST. ANTHONY.—A fire occurred at St. Anthony, Minnesota, on the 29th ult., destroying property to the amount of $50,000. The heaviest losers were Carpenter, Andrews & Co., $15,000, Cross, Pilsbury & Co. $10,000, J. A. Lennon, $6,000, and Chas. King $5,000.

MARINE LOSSES.—The marine losses for the month of September, (including the *Central America*, which is placed at $2,000,000) foot up nearly $3,000,000. In this sum are comprised losses both total and partial, and damages on vessels and cargoes.

DAMAGES FOR SEDUCTION.—At the session of the Washington county, Va., Circuit Court, last week, the case of Miss Miller vs. Price, for seduction, was tried, and the jury assessed the damages at $4,000.

LATE ST. PAUL PAPERS.—We are again indebted to the officers of the *Ocean Wave* for late St. Paul papers in advance of the mail.

SHOT.—Eugene Burr, aged 18 years, son of David A. Burr, late Surveyor General of Utah, accidentally shot himself, near Washington, on Saturday last, and died next morning.

The Trotting Match.

Owing to the almost constant rain for two days the track around the fair grounds yesterday was in a miserable condition. The mud the whole way round was fetlock deep, and some places deeper. The consequence was that the time made by the trotting horses does not appear very well on paper although under the circumstances it was very creditable.

By the regulations the horses were divided into two classes. In the first class the premiums were $50 for the best trotting stallion which had been kept in this State the past season as a stock horse; $25 for the second best, and $15 for the 3d.—Entrance fee $5,00.

J. M. Hazleton of Janesville, named "May Fly"—Time 3:37.

Wilcox, Berlin, Wis., named Black Hawk Chief—Time 3:25½.

Blodget of Beloit, named Keokuk—Time 3:24½.

Huntley, Whitewater, named Weazle—Time 3:24.

2D CLASS—Entrance fee $2,50.

Premiums as follows,—for best trotting stallion 5 years old and under $25, 2d $15, 3d $10.

Coles named ——— Time 4:16.

Wallace, named Yankee Notions—Time 3:40.

McKenzie, named Black Hawk—Time 3:41.

Chase, named Sun Prairie Horse—Time 3:16.

There was some dispute about Mr. Case's horse, he having entered him as under five years old. It is claimed by others that he is over that age. The premiums have not yet been awarded.—*Janesville Standard.*

R. K. Swift, Brother & Johnston.

The following circular was issued by the above firm on Saturday evening last:

OFFICE OF R. K. SWIFT, BROTHER & JOHNSTON,
CHICAGO, October 3, 1857.

Since our suspension on Tuesday evening last, (September 29th,) we have been engaged in bringing all our matters to a point, to ascertain exactly where we stood, and inform our creditors of our position and intentions.

Our assets amount to..................	$1,059,414.75
Liabilities..........................	798,742.73
Surplus..............................	$250,672.02

In the present excited state of the Money Market, both at home and abroad, and the consequent difficulty and loss that must be experienced in realizing, we have deemed it for the best interests of our creditors not to resume business, but to use our best exertions in winding up our affairs and liquidating our indebtedness as speedily as possible. For this purpose we propose to receive from our depositors their checks upon us (as far as their accounts may be good) in payment of any indebtedness we may hold against them. We will also receive our certificates of deposit, issued for sums not exceeding five hundred dollars each, in payment of any notes we may hold.

Provision will be made for the residue of our indebtedness at as early a day as possible.

For the numerous offers of assistance made by our friends, we return our heartfelt thanks, but would be unwilling to accept aid from them, which, in these stringent times, might lead to their own embarrassment.

R. K. SWIFT, BROTHER & JOHNSTON.
—*Chicago Press, of yesterday.*

Suspension of Chouteau, Harrison & Valle.

The pressure for money is still very great in this city. There is an abundance of 'currency,' but this has ceased to be available in the payment of debts where specie funds are required, and for this reason another of our largest and most important business houses suspended payment yesterday. We allude to the house of Chouteau, Harrison & Valle. Although the owners of the Iron Mountain—which is in itself a very mountain of wealth at any time—and each of the members of the firm possessed of individual wealth—they have not been able to escape the general disaster. It is bad enough when the usefulness and enterprise of such men is crippled and stopped even for a time, but it is still worse when so many hundreds of operatives are thrown out of employment. We understand that orders have been given to stop operations at the Iron Mountain, and the number of operatives thus discharged will amount to four hundred and fifty. At the Laclede Rolling Mill, in this city, and the Coal Banks, the number is stated at 400. A good many of these men have families, and the prospect for them, as well as others, is a gloomy one, unless the price of provisions, &c., should experience a rapid decline. We have had high prices for a good many years, and now they must yield to the pressure which is so generally felt in all our cities.

The house of P. Chouteau, Jr., & Co., in New York, it is understood, suspended payment yesterday.—*St. Louis Rep., Saturday.*

A Know Nothing in Trouble.

Special Dispatch to the N. Y. Tribune.

Washington, Oct. 1.

Certain weighty and special reasons for the speedy appointment of a Minister to Spain are said to exist; and it will therefore be made in advance of the general rearrangement of diplomatic places.

There are to-day fewer official changes than had been expected.

Tate, of Virginia, supercedes Wm. F. Phillips, as Sixth Auditor, and will remove some clerks, in his office.

Madison Cutts, (father-in-law of Senator Douglas) was no doubt appointed Second Comptroller, but did not take possession to-day. A rival applicant for the place offers to prove that Mr. Cutts thrice applied to enter a Know Nothing lodge, and was thrice rejected.

The resignation of the younger Cass, Charge at Rome, comes from a family friend in Detroit, and is intended as a reminder to Ministers Dallas and Mason.

Private letters report that the Mormons are preparing to fight the Government troops, and first to cut off the provision trains. The design is to prevent the marching of the expedition this season.

Col. Benton is improving slowly, but it is feared that his disease is chronic, and that he may never recover his health and usefulness.

GALE.—Lake Erie was swept by a terrific gale yesterday and last night. The steamer Mississippi, hence for Buffalo, was compelled to put back to Malden, where she lay till this morning. The May Queen, due at 7 A. M., did not arrive until noon. Her officers say it was one of the roughest nights ever known on the Lake. Lake Huron was also visited with a gale. Last night numerous propellers and lake craft took refuge in Port Huron. We fear that disasters have occurred, but hope for the best.

The propellers Omar Pasha, Mount Vernon, St. Lawrence, Queen of the Lakes, and one or two others were lying at Malden when the young America passed to-day.—*Detroit Tribune Oct. 1st.*

P. Chouteau, Jr. & Co.

The failure of this concern, as announced by telegraph from New York yesterday, is a commercial event calculated to startle the public mind in the West, where the house has been regarded for a quarter of a century as one of the richest and most responsible in the whole country. Mr. Chouteau has been supposed to be possessed of one of the largest private personal fortunes in the country, but within the last few years he has transferred a good deal of his business from St. Louis to New York, where involvements in railroads must have caused, what we trust will be but a temporary suspension of his house. Mr. C. is one of the Directors in the Illinois Central Railroad, and the largest holder of the stock.—*Galena Gazette, Oct. 3.*

Meeting of the Merchants Last Night.

Quite a large number of merchants and produce dealers met at the Board of Trade rooms last night, to hear the report of the Committee appointed on Saturday night. The chairman of that Committee read the following:

GENTLEMEN:—Your Committee have given some consideration to the subject submitted to them on Saturday evening, and have arrived at the following conclusions. The present difficulties, in our opinion, arise from the simple reason, that a very trifling portion of the crops are going forward. While other States are sending out quite liberal portions of their crops, the grain of this State remains in the hands of the growers. Our inquiries have resulted in the conviction that the farmers are not doing their duty. We can see no good reason why farmers should not feel it incumbent on them to liquidate their indebtedness at once out of their crops. We would suggest that a circular be drawn up addressed to the country merchants urging them to give the necessary relief.

We would also suggest that merchants should enter into agreements to receive the grain, sell it in this market, or forward it to Buffalo, Oswego, or New York, and give the farmers and country merchants the benefit of the Milwaukee, or any Eastern market, which the owners may select.—Grain can thus be made available for commercial purposes, whereas it is not so while lying in the granaries of the farmers. A pile of wheat becomes useful to commerce so soon as it is in transit, or in warehouse. As gold is useful so soon as it is drawn from old stockings and placed in canvas bags with a banker's seal attached.—Your committee are of the opinion that currency will be provided here without difficulty for all the grain, as fast as it is offered, at rates that will pay a fair profit to the purchasers. It is of itself evident that exchange will be much more abundant as soon as large shipments of grain are made, but nothing else can give relief to the business of this State.

Arrangements can be made to receive the grain here, sell it or forward it to the Eastern markets without any expense beyond the cost of transportation, and the regular commissions on sales, thus giving the farmer the benefit of the Milwaukee, Buffalo, or New York market.

JAMES BONNELL,
L. SEXTON,
GEO. LE FEVRE.

After some discussion, the above report was very unanimously accepted, and the following gentlemen appointed as a Committee to draw up a Circular addressed to the country Merchants;

JAMES BRADFORD, LESTER SEXTON,
GEO. LE FEVRE, JAMES BONNELL,
F. J. BOSWORTH, J. A. DUTCHER,
A. G. VAN SCHAICK.

The meeting then adjourned to Thursday evening.

Horticultural Exhibition.

The Annual Exhibition of our Horticultural Society takes place this afternoon and evening, at the Hall in "the Albany." All entries must be made before 3 o'clock P. M., at which hour the doors will be opened to the public. If the weather is pleasant, the Exhibition will be a fine one.

A SMASH.—Last evening between six and seven o'clock, a schooner coming down the river, in tow of the tug Decatur, ran into the abutment of the west side of Spring Street Bridge, breaking the heavy timbers which protect the bridge, and causing considerable of a smash. About an hour afterwards, the tug Tift was coming down at full speed, and owing to the accident the bridge became fast in some way, and it was found impossible to get it open, and the tug got quite close before it discovered that the bridge was closed, but luckily it was able to stop short, and avoided thereby another smash.

THIRD WARD MARSH NEARLY GONE.—The process of filling up the old marsh which formerly occupied all of the Third Ward below Huron St., has gone on from year to year, till solid ground has taken the place of nearly all of it, and the blocks are nearly covered with dwellings, &c., almost as soon as they are filled to the grade.—Of that whole section of the city, equal to about 40 blocks, among the long reeds of which the cattle were feeding ten years ago, only some 4 or 5 blocks remain in the original condition, and clay from the bluff and sand from the harbor are fast making solid ground of these.

STEALING FLOUR.—Three sacks of flour were stolen from the platform of the M. & M. R. R. on Saturday night. Two of the thieves were caught, one by Mr. Church, and one by policeman O'Conner, the other escaped with a bag of flour.

AN IMPROVEMENT.—We see that the Baptist Church, on Wisconsin street, is being considerably renovated. The old front has been taken down, and one that bids fair to be a great deal better looking is going up in its place. A "pepper box," or "vinegar cruet," as "Ruskin" sacrilegiously calls our church steeples, would be by no means out of place on this building, and we think seriously, would be a vast improvement to the appearance of the Church.

COMMITTED.—A woman named Elizabeth McGrath was examined yesterday, before Justice Walworth on a charge of stealing a pair of pantaloons (we suppose she wanted to "wear the breeches") from the Walker House, on Saturday last, and committed in default of $300 bail for her appearance at the Circuit Court.

ATTEMPTED TO DROWN HIMSELF.—On Saturday an Irishman, named Hunt, attempted to drown himself while in a fit of delirium tremens, by jumping from Bilty's Pier into the Lake. Mr. Bilty rescued him after he had got a good soaking.

BODY FOUND.—The body of the sailor Hartunt, of the propeller Colonist, who was drowned last week, was found yesterday morning in the river, near Chestnut street bridge, and was interred in the poorhouse burying ground.

☞ You all *must* read CALEB WALL's advertisements. This morning he offers great inducements about Pine Lake Farm and about Dry Goods; also a great sale of Buggies on Wednesday morning.

TAKE HEED.—Dr. Tilton has returned to the Massasoit House, Chicago, where may be obtained Old Dr. James wonderful and celebrated extract of Cannibis Indica. His son-in-law, Dr. Thomas Tilton, will supply you with either, personally or by Express. It is a sure and speedy cure of the worst cases of consumption, bronchitis, asthma, nervous debility, coughs, colds and sore throats. We know this to be a fact. Try it and live.

P. S.—By addressing Dr. Tilton a note through the Chicago Post Office, inclosing four stamps, (12 cents), a recipe will be sent in return, free of charge, to any part of the Union. DR. TILTON,
aug5f175d3m Massasoit House, Chicago.

☞ Many kinds of Tonic are advertised that we are assured will strengthen the hair and prevent its falling out, but none that we have seen used does *all* that it promises, save that of Professor O. J. Wood's. This we know is good from having tried it, and witnessed in several cases its truly beneficial effects. Dr. Wood was kind enough to send us a couple of bottles, and after finding that it prevented our hair from falling out, we presented a bottle to a friend who had been bald for at least thirty years; it has restored his hair entirely, and it is now as thick and glossy as when he was twenty-five. This we say in all sincerity and we shall be glad to have our friends try it for themselves, as we believe it is just what it professes to be. For real worth, Wood's Hair Restorative is undoubtedly the best preparation now in use for restoring hair on bald heads, changing gray hairs to their original color, and for a cosmetic or cure for pimples, it is fast taking the place of other preparations.—No toilet now-a-days is complete without it.

☞ If any one should ask us what in our opinion, arrived at by an impartial test, was the best and most honest compound remedy for preserving and beautifying the hair and restoring gray hairs to its original color, and the locks to the bald headed, we should without hesitation say Prof. O. J. Wood's Hair Restorative. See advertisement in another column.—*Louisville Journal.*—Sold by all Druggists.

NEW YORK, Oct. 5—3 P. M.

The screw steamer New York, from Glasgow, on the evening of the 19th ult., arrived this morning. She reports having passed the Persia on the 2d, City of Baltimore on the 3d, and Ariel on the 4th.

The New York brings no news.

The Bremen bark Laura, from Bremen, arrived here this morning. She reports that at 2 o'clock on the 28th, she spoke the British brig Mary, of Greenock, from Cardenas, for Queenstown, and took from her J. Tice, second engineer, Alex. Grant, Fireman, and George Davison, a passenger, whom the brig rescued from the Central America.

Mr. Tice, second engineer of the Central America, makes up the following statement:

From the time of the wreck I drifted 72 hours on a plank. I succeeded in getting into a boat on the fourth morning after the wreck. On the 5th I picked up Alexander Grant, fireman, who had been drifting 5 days on a part of the hurricane deck, from which he swam to my boat. We pulled for the hurricane deck and rescued G. Dawson, a passenger. 12 men had once been on that part of the wreck. Of these the 3d Engineer, Geo. Buddington, Jno. Baub and Patrick Cardes, coal passers, Wm. J. Rives, fireman, and 5 coal passers, whose names are not known, died. Dawson, Grant and myself were without food for eight days, the sea all the time making a breach over us. Two days after the steamer went down we saw several passengers on pieces of the wreck but could not assist them.

Mr. Tice saw Capt. Herndon just before the ship went down.

Tice, Dawson and Grant are sick and badly bruised.

Money matters quite easy. Exchange on London 11a12 premium; N. Y. par. Not much doing.

Amongst the shipping, there was a good deal of fever; most of the crews of American vessels being down with it. The reduced duties on Indian Corn ceased on the 30th ult. The stock was light and prices heavy.

Yesterday was a dull day in the wheat market. Prices fell several cents, and buyers were not anxious to purchase at the decline, the margin left for shipments being too small to operate on with safety, while holders were mostly limited by their orders from owners. Spring wheat sold in the morning at 75c, but the eastern advices caused buyers to hold back in the afternoon. White winter sold, according to quality, at 80@95.

RYE—dull at 60@75.

BARLEY—very little doing, we quote nominally at 60@75.

Oats—33@35.

The week opens better, although money still continues stringent and equally difficult to obtain. In the breadstuff market more activity is manifest, and the demand is improved. Receipts of wheat are lighter, but still they will do. Shipments are small. Receipts amount to 2,114 bbls flour, 96,243 bus wheat, 7,571 bus corn, and 12,782 bus oats. Shipments are 750 bbls flour, 47,750 bus wheat, and 68,789 bus corn.

FLOUR—Shippers were offering 4,25 for spring extras—holders asking 4,50. They would probably meet half way, however, and one sale was made at 4,37½.

WHEAT—The market opened at 69a69½c to store, at which 15,000 bus in lots sold. Subsequently holders closed at 70c.

CORN—dull, although there was a slight enquiry. We learned of no sales. We quote at 51c f. o. b.

NEW ORLEANS, Oct. 1.

The Money market to-day was feverish. The Banks were unable to supply the demand made upon them, and the agents of the Northern Bank of Mississippi were unable to redeem their notes. The sales of Sterling Exchange are limited at 11¼@11½ ₩ cent. prem.

OUR RAIL ROADS.—The New York *Express* of Thursday evening last says:

The Milwaukee & Mississippi Road pays its First Mortgage Bonds, but suspends on its Income Bonds and on its floating debt. The company has paid this morning $12,000, and were it possible to get exchange from the West, it could meet its entire payments. It has $40,000 locked up in currency at its western offices.

The LaCrosse & Milwaukee Road has been prevented, by legal process, from paying the coupons on what are called the "Barstow" bonds.

Marine Intelligence.

THE ARCTIC BROKE DOWN.—As the mail steamer *Arctic*, Capt. Dougall, backed out from Kirtland's pier, about 8 o'clock on Wednesday morning, to go to Two Rivers, her piston rod broke close to the cross-head, just as it commenced the descending stroke, and the steam in the lower part of the cylinder being exhausted, the piston rod and head, weighing over a thousand pounds, fell to the bottom of the cylinder—ten feet—with a crash, breaking the follower at the same. A propeller was passing at the time, and, notwithstanding the whistle of the *Arctic*, she refused to come to her assistance. The wind being off shore the *Arctic* drifted a mile or more away, when, abandoning the hope of assistance from the propeller, she dropped anchor, and about two hours after the propeller *Ontonagon*, Capt. Wilkie, arrived from the South, and towed her into the river.—*Evergreen City Times, Oct. 3d.*

The *Arctic* was towed to this port on Sunday by the *Cleveland*. It will, we understand, take a week or more to complete her repairs.

City Auction Room.

IMPORTANT TO THE LADIES.

I HAVE JUST OPENED an invoice of goods which are too good to sell at auction; I therefore will sell them at private sale, at 20 ₩ cent less than what they are worth, and 20 ₩ cent less than you can purchase them in the city. The goods consist of White Shaker Flannels, Colored Flannels, Twilled Flannels, some French Merinoes, some all wool Delaines, Silk Velvets, &c. This assortment is not very large, but what there is is of superior quality.

I have also just opened, one case, consisting of twelve Ladies Fall and Winter Cloaks, latest style, to be sold at great bargains.
oct6 CALEB WALL.

City Auction Room.

ANY ONE who has a good stock of Dry Goods, I will trade Pine Lake Farm for them, with all its stock, furniture, &c., and if the stock of goods is very large and is worth more than the farm, I will pay the balance in money. Or I will exchange said farm for good improved city property, or I will sell the said farm for good mortgages, running 1, 2, 3 years, or I will exchange said farm for Mil. & Miss. R. R. stock. Here is a great chance for some one to get a good home, one and a-half hours ride on the cars from the city, with everything that one's heart should desire, with a good house and splendid barn, which would rent in Milwaukee for six hundred dollars a year.
CALEB WALL.

N. B.—If the said farm is not sold in thirty days, I want a good, honest, quiet man and his wife to take care of said farm and all the stock through the winter, and probably, when the spring comes I may conclude to keep the farm. So a chance for some one to get a comfortable home for the winter. I do not care what country they are from, but will require good references.

The Great Book of the year is the new Tale by the authoress of the "Lamplighter,"

"MABEL VAUGHAN."

MISS CUMMINGS, the authoress, has written a story which, for elegance of diction and thrilling interest, has rarely been equalled by any American lady. The question has been repeatedly asked—can Miss Cummings write another book equal to "the Lamplighter?" We can answer this question now with perfect assurance, not only from our own personal knowledge, but from the unqualified testimony of the literary gentlemen of Boston, who have read the work with great care both of whom pronounce it a superior book to the first, and that it will add immensely to her previously well-earned and world-wide reputation. It is a handsome volume of 500 pages. Price $1,00.

TEN YEARS'
ACQUAINTANCE WITH
West's Cement Roofing.

SUCH FACTS as are herewith and have heretofore been presented to the public, where this roofing material has been used any considerable length of time, that the misrepresentations of the designing and unscrupulous have failed to seriously injure its reputation or impair the confidence of a discriminating public.

It is very well known that a large number of the most elegant residences, commercial blocks and public edifices ever erected in this city are under the protection of this *fire and water-proof roofing*, and that it has given such universal satisfaction here as elsewhere, that the demand for it this season is more than double what it was last year, notwithstanding the strenuous efforts made to introduce various other articles for a similar purpose.

SYRACUSE, June 19th 1857.

The undersigned has been acquainted with Watt's Galvanic Cement, for nearly *ten years* past, and has had it applied to 3 buildings in several instances. He is so well satisfied with its durability and general *fire and water proof qualities* that he has applied it to some new buildings which he has erected during the past winter and spring.

There is no doubt but the *cement* is in better repute here *than ever before*. A. CRIPPEN.

SYRACUSE, June 19th 1857.

This may certify that I had a building covered with West's Galvanic Cement some *four or five years* ago and at the time of its destruction by fire last fall the roof was perfectly tight.

I have no hesitation in recommending the cement to those who wish to procure good and lasting roofs.

N. B. When the building was burned, the *roof did not take fire at all* until the roof boards burned through.
ALEXANDER DUFF.

SYRACUSE, June 19, 1857.

The undersigned occupied a building covered with West's Galvanic Cement, which was burned in the great fire last fall. The roof had been on two years and at the time of the fire was apparently as good as when first put on. The fire was blown in perfect torrents of flame directly upon the roof and it did not take fire, and when the walls fell the roof was entire except where the roof boards were burned completely through; *there could not have been a more thorough trial by fire and nothing could have stood the test* better than this Roofing Material.
E. HAMMOND,
G. P. JOHNNOT.

SYRACUSE, June 18, 1855.

West's Cement Roofing is more extensively used here and in all the large towns than it ever was before.

This roofing composition rests upon its own merrits, and *where it has been used, needs no recommend*. There are hundreds who have had roofs on from *two to five years and not one has failed* that was well done. *It will last twice as long as the best tin.*
N. F. GRAVES.

MILWAUKEE, July 27, 1857.

I have been a resident here twenty-two years, laid the *first brick* and topped out the first chimney in this city, and have been a builder ever since; am acquainted with all kinds of Roofing, and, in my estimation *Wests Galvanic Cement* is superior to any other in *all respects*.
WILLIAM SIVYER

I have been extensively engaged in building for nearly twenty years in the city of Boston, and am acquainted with various kinds of Roofing material. I regard *West's Composition Roofing* as the best article for covering buildings now in use. I have had it put on to a dwelling house which I have built this season for myself.
Oshkosh, August 1st, 1857. GEO. CHASE,
Architect and Builder.

To the proprietors of West's Patent Galvanic Roofing:

GENTLEMEN:—We are some of the numerous property-holders of this city who have availed ourselves of the advantages which your Elastic Composition Roofing Material affords, and we most cheerfully and unhesitatingly say, that our experience and observations thus far, fully sustain and corroborate the proof you have heretofore presented to the public, through the Milwaukee press, of the *superior claims of your roofing material*:

Austin, H. A. Nichols, Martin & Rugee, builders, H. H. Camp.

Within the past year I have paid Three Hundred and Seventy-Three Dollars for repairing leaky and defective roofs. The Composition used for such improvements is known as West's Galvanic Cement for Roofing, I am so well satisfied of the value received for the expenditure and of the superiority of this article for roofing purposes, over any other article now in use, that I have engaged to have it applied to the building which I am having erected on the corner of East Water and Michigan sts.
ALEXANDER MITCHELL.

From our knowledge of the composition for covering buildings, buildings, known as "West's Galvanic Cement" for Roofing, which has been very extensively used in this city the past year, with perfect satisfaction to those who have adopted it, we most cheerfully recommend it as superior to any other article of the kind now in use and worthy of the fullest confidence of the public.

The Newhall House and the Excelsior Block, two of the most elegant, costly and imposing structures ever erected in the West, are covered with this roofing material, and two more *perfectly tight* and *water-proof roofs* cannot be found *in this or any other city*, as owners, *builders and architects* will testify. We refer to this for obvious reasons.

Numerous town and county rights have been purchased by architects, builders and practical men, who are applying this roofing material in various parts of the State, from whom we are obtaining large orders for stock.

Individual rights, with stock and printed directions, furnished at reasonable rates, to any part of the State, which has not been disposed of.

Any amount of additional proof in relation to the superiority of this roofing material over *any* and *every other article* now in use, can be seen by calling at our office, 280 E. Water St. J. Y. CHENEY & Co.

Spiking the News' Artillery.

The letter of Private Secretary HOPKINS, published in this morning's paper, effectually disposes of another of the weak inventions of the enemy. It brands the *News* story about the bribe as false coin and nails it to the counter. Of all the spurious brood that the *News* hatched, not one survives. They have been picked off, singly and in turn, by the Republican sharp-shooters, and are all "dead game."

The first attempt of the *News* was to represent Judge RANDALL as a "Maine Law" man, to be supported on that issue in the coming canvass.

With this view, it deliberately manufactured the proceedings of a Temperance meeting in this city, whereat Judge RANDALL was claimed as the Maine Law candidate, and Mayor CROSS denounced as the champion of the "whiskey-drinking, beer-swilling democracy." This was thought to be a strong card, and the *News* played it confidently. But it was at once "trumped" by the Republican papers, and the story shown to be an entire and wilful fabrication.

The next effort was to defame and asperse Judge RANDALL, and here the services of anonymous correspondents, without names, or character, were put in requisition. This was persevered in for a few days, and the columns of the *News* teemed with offensive personalities. It was speedily found, however, that Judge RANDALL was too well known to the People to be injured by anonymous, or "liveried" assailants. The recoil from such weapons was more damaging than their direct fire.

Finding that nothing was to be made by blackguarding Judge RANDALL, the *News* next undertook to identify him with Gov. BASHFORD's administration and to convict that administration of various high crimes and misdemeanors. Two specific charges were brought against Gov. BASHFORD, for which the *News* held Judge RANDALL accountable. The first was, that Gov. BASHFORD had sold his assent to the La Crosse Land Grant Bill for $50,000 on bonds and $10,000 in cash. This charge the *News* made and repeated with the utmost confidence, and defied the Governor, or his Private Secretary to deny, or disprove it. In response to that challenge Mr. HOPKINS comes forward, over his own signature, and blows the charge to the four winds of Heaven. This is a *responsible* answer to an irresponsible accusation—a complete and crushing refutation of a lying and scandalous charge.

Lastly the *News* raised a "hue and cry" about the Shawanaw Land Sales, insisting that the School Fund had lost $150,000, because the Governor had improperly and on insufficient notice, ordered certain Swamp Lands to be sold for the benefit of his particular friends. But it is proved by the declaration of Col. JONES, the Secretary of State and the *News'* candidate for re-election, that the Governor *never ordered the sale*; that the School Land Commissioners, *all Democrats*, made the sale *upon their own responsibility*; that the sale was fairly conducted, on sufficient notice, and without favor to anybody; and that the Lands were disposed of on better terms *than any others yet sold by the State.* This is the testimony of the *News'* own witnesses; of the officer who *directed* the sale; and a more conclusive reply to the *News'* fiction could not be imagined. If the State Officers (all Democrats) are to be believed, the story of the *News* is a lie out of whole cloth. If the *News* is to be credited, the Democratic State Officers are the parties who have "swindled" the School Fund out of *One Hundred and Fifty Thousand Dollars.*—And this disposes of the last of the *News'* brood of falsehoods. The public look with some curiosity to see what "dodge" it will try next.

A Plea in Bar.

The *American*, in its intense anxiety to rid its newly found friend and candidate, Mr. CROSS, from all taint, or suspicion of Barstowism, demurs to his being held responsible for his votes in the Legislature. Here is its plea in bar:

The folly of endeavoring to identify his legislative votes with the acts of a defunct administration is so ridiculous, that we might as well say that a schoolmaster convicted of a crime, his pupils should be blamed for it, or in other words, that all members of a Legislature are answerable for the acts of the executive! A pretty responsibility to attach to the representatives of the people who are sent to the Legislature on individual interests, and are supposed to be governed by their own individual conscientious scruples.

It was precisely by his "legislatve votes" that Mr. CROSS "identified" himself with the BARSTOW administration. In giving these he was no doubt governed by his "own individual conscientious scruples." By them, therefore, as by the company he keeps, it is perfectly fair and right that he should be judged. His legislative record proves that he sustained all the obnoxious "acts" of the defunct Barstow Administration. And his participation in the Young's Hall Meeting in this city, to resist the authority of the Supreme Court and encourage Barstow in his usurpation, shows that he was prepared to go *any lengths* in that daring and desperate attempt to override the Court, the Law and the Ballot box. It is upon these "votes" and "acts" that we invoke the judgment of the People. By them let Mr. CROSS stand, or fall.

Waiting for the Proof.

A long-winded correspondent of the *American*, writing from Portage, thus discourses:

I wish to say a word, however, in regard to his more direct peculations. The News has *promised proof* of his $50,000 bribe from the La Crosse Railroad Company. *When furnished* it may open the eyes of some not familiar with his transactions.

No doubt "*when* furnished," this "proof" may open some people's eyes. But it never will be "furnished." The *News* takes it out in promising. Although weeks have elapsed since the *News* first made its charge, which was instantly and explicitly denied and "proof" challenged, the *News* remains dumb. Not a tittle of evidence has it been able to produce. On the contrary, its attacks have called out a rejoinder from the Governor's Private Secretary, which has put a most effectual extinguisher upon the "bribe" story, and again sent the *News* to the pillory.

The K. N. Clamor against Mr. Schurz.

The organs of Barstowism and *Bogus* Democracy continue their clamor against Mr. SCHURZ, the Republican candidate for Lieutenant Governor. Forgetting all their cheap professions of regard for our adopted citizens, in their present disgust with the Germans for repudiating the Barstow cross, they single out Mr. SCHURZ for special denunciation. The *American*, as was to be expected from its Know-Nothing antecedents and associations, leads the attack. It feigns great difficulty in spelling Mr. SCHURZ' name; sneers at his services to the cause of Freedom in the Father Land; and intimates that he is no better than a "rebel," or a "traitor."—In yesterday's issue, it pursues the theme, and speaks thus disparagingly of Mr. SCHURZ:

As regards Mr. Schurz, his talents, according to the *Sentinel*, place him beside the character of Washington! What does Mr. Schurz's political character in Europe claim for him in Wisconsin? Does five years residence in this State give him sufficient knowledge of our laws, constitution and State government to qualify him for the Governorship? Remember he succeeds by death or removal the Governor! Or is it his "talents" that claim for him this mark of popular confidence? We will venture to assert that Mr. Schurz or his talents have never been heard of beyond his immediate residence by a soul in this State.

The *Sentinel* never dreamed of comparing Mr. SCHURZ to WASHINGTON. That brilliant feat was original with the *American*, which, with the proverbially short memory of certain persons, has already forgotten this fancy flight, and charges its own absurdity upon us. "Five years' residence in this State" is quite enough, we should think, to give an intelligent man "sufficient knowledge of our laws, Constitution and State Government to qualify him for the Governorship." That the *American*, however, is of a different opinion and would *increase* the term of residence, required as a qualification for office, is quite natural. The idea that "Mr. SCHURZ and his talents" have never been heard of beyond his immediate residence, is a pardonable K. N. blunder.—If the *American* will take the trouble to enquire, it will ascertain, to its entire satisfaction, that there are very few Germans in the United States so well, so widely, or so favorably known as CARL SCHURZ, our Republican nominee for Lieutenant Governor. The extracts we have quoted from different German papers, of both political parties; the proceedings, which we published Saturday, of the German Free State Club in Kansas; and the universal testimony of his countrymen, Democrats as well as Republicans, in this State, all prove that Mr. SCHURZ enjoys, to an unusual degree, the respect, the confidence, and the regard of his German brethren in all parts of the Union. And they look forward, proudly and hopefully, to his election as Lieutenant Governor of Wisconsin, as at once a handsome compliment to them and a signal vindication of those principles of Free Government, in support of which he perilled life and fortune in the Old World, and to the advocacy of which he has pledged his talents, his time, and efforts in the New.

RESISTANCE TO LAW.

Mayor Cross vs. The Supreme Court.

The Senatorial Convention for the Sixth District (South half of Milwaukee County), which met in this city on Saturday last and nominated PATRICK WALSH, of Greenfield, as their candidate for State Senator, adopted, among others, the following resolution:

Resolved, Whereas we consider society essential to man's happiness, and that society cannot exist without law, we therefore pledge ourselves to oppose every party not holding that *the first and most imperative duty of the citizen is strict obedience to law.*

This being the case, neither the Convention, nor the party they represent, can support Mr. J. B. CROSS, for that gentleman headed the attempt in this city, to resist the authority of the Supreme Court and maintain the Usurper, BARSTOW, in power, against the will of the people, the verdict of the Court and the majesty of the law. We again publish and call attention to one of the resolutions introduced by Mayor CROSS, at the Young's Hall meeting, in this city, called to "back up" the Usurper BARSTOW, in his threatened Treason to the State:

Resolved, further, That we tender our warmest thanks, and are under deep obligations to Wm. A. Barstow, the Governor of the State of Wisconsin, for the noble and dignified stand he has taken, in asserting the independence of the Executive Department entrusted to him by the people, and in defending the Constitution and Laws, against the treasonable and treacherous assaults of a partizan Court, aiming at political power, and insidiously grasping at political dominion, and while thus vindicating, in his own person, the rights of the people of this State, we will sustain him *with our hearts, our voices, our votes and our strength.*

Let us hear what the *News* and *American* have to say in defence of this most reprehensible act of Mayor CROSS. How will they excuse or justify his gross and calumnious assaults upon the Supreme Court, or his threat to put down, *by force*, their authority, and to sustain the infamous frauds upon the Ballot-box by which BARSTOW undertook to make himself Governor?

As little can the Democracy of the Sixth District vote for JOEL C. SQUIRES, the party candidate for Bank Comptroller. That gentleman holds a Federal appointment in the U. S. Land Office at Mineral Point. Our State Constitution expressly says that "*no person holding any office of trust, or profit under the United States*, shall be eligible to any office of trust, profit, or honor in this State." Of course, under this provision, Mr. SQUIRES is ineligible to the office of Bank Comptroller. Our State Constitution, which inhibits Mr. SQUIRES' election, is the highest law of the land. What are these sticklers for "strict obedience to law" going to do about it? Here are two glaring instances of disobedience to law and defiance of constituted authorities—the nomination of Mr. SQUIRES and the threatened rebellion of Mr. CROSS. Will the Democracy of the Sixth District stand by their resolution and refuse to support these men; or, after thus formally resolving to support the Law, will they sustain those who trample it under foot?

Another Ineligible Candidate.

The Pro-Slavery Democracy have nominated ANDREW E. ELMORE, as their candidate for the State Senate in the Tenth (Waukesha) District. Mr. ELMORE is a man of decided ability, considerable experience in public life, and pretty independent politics. But he is *ineligible* to the office of Senator. He is the Post Master at Mukwonago, and our State Constitution (Art. IV, Sec. 13) says: "No person holding any military, or civil office under the United States, shall be eligible to a seat in the Legislature."

Mr. ELMORE is therefore out of the question. We presume, indeed, that in his case, as in that of Mr. SQUIRES, whose election is likewise barred by the Constitution, the nomination was made, not in the hope, or expectation of success, but with the sole view of giving strength and respectability to the Barstow ticket.

Swallowing the Test.

The Democratic Convention for the Sixth Senate District, which met in this city Saturday and had for its President a Federal Office holder, made haste to prove its obsequiousness to Mr. BUCHANAN by thus endorsing his latest exposition of the Slavery question:

Resolved, That we cheerfully endorse the principles laid down by his Excellency, the President, in his very able letter to the New England clergymen.

These "principles" are utterly at variance with those "laid down" by the fathers of the Republic, as with those entertained and expressed by *every* President of the U. S., save only Pierce and Buchanan. They are an entire departure from the landmarks established in the earlier and better days of the Republic, and a base concession to the grasping spirit of the Slavery Propagandists. That Federal Office-holders should thus swallow their opinions and surrender their birth-right for a "mess of pottage," is no marvel; but that the masses of the party will do so, at the bidding of their leaders, we do not believe.

The Lost $150,000—Fees of the School Land Commissioners.

In relation to the large sums alleged by the Democratic press to have been lost to the School Fund by the sale of the selected lands in Waupacca and Shawanaw counties alone this year, the Janesville *Gazette* remarks, very justly:

Now if the $150,000 are lost, the Democratic Commissioners ought to make it good to the State. They have exceeded their powers and gone directly in opposition to good policy in offering these lands for sale at this time. They have done it wilfully for purposes of private speculation and gain. They have been anxious to sell as much as possible because their fees are very great, and this may be the last opportunity which they will have to enrich themselves at the expense of the public. This is no doubt the chief motive, for we understand that they exact fees upon every forty acres sold.

The public will look to these Commissioners for an explanation, and especially to the present Secretary of State, who is a candidate for re-election. One hundred and fifty thousand dollars are lost to the School Fund, and the Democratic Commissioners are the cause of it.

The Democratic Commissioners who have sold these lands, without the direction of the Governor, and having undoubted power to withhold them from sale if he *had* directed them to be sold, are certainly responsible for whatever loss there may be. But the truth is manifest enough that the enormous *fees* obtained by the Commissioners, which will enable them to divide among themselves a sum probably amounting to at least $20,000 for this single year, over and above their salaries, have availed to induce them to sell all the lands possible, at whatever sacrifice to the School Fund, or the best interests of the people. Secretary JONES, one of these Commissioners, is a candidate for re-election.

Republican Nominations.

The Republicans of Bad Ax and Crawford counties have nominated WM. C. MCMICHAEL, of Viroqua, Bad Ax County, as their candidate for the Assembly. The Prairie du Chien *Leader* warmly endorses the nomination as in all respects unexceptionable. The Convention which nominated Mr. MCMICHAEL, adopted the following resolve:

Resolved, That this Convention accept the Platform and the Candidates presented by the Republican State Convention, and pledge our united and individual efforts for their success; and to Wm. C. McMichael, our candidate for the Assembly, we pledge A GREATER MAJORITY THAN EVER GIVEN FOR ANY REPRESENTATIVE FROM THIS DISTRICT.

MONEY SAVED.—It seems that Mrs. Birch—wife of Mr. James Birch, of Fall River, Mass., President of the California Stage Company, who was among the lost passengers of the Central America—was not left destitute by the death of her husband. Mr. Birch had sent on, in the Illinois, the steamer which preceded the Central America, $60,000 in gold bars, for which he also remitted a draft payable to the order of his wife. On Wednesday last Mrs. Birch sent the bars to the Assay Office in New York, to be refined and stamped.

PENSION WARRANTS AND PENSIONERS.—The whole number of warrants issued from the Pension Office during September, under the bounty-land act of March, 1855, was sixteen hundred and twenty-six, to satisfy which nearly 245,000 acres are necessary. The names of fifty-five thousand and ninety pensioners for revolutionary services have been placed on the rolls since March, 1818, but on the 20th day of June last, there were only *three hundred and forty-six* of this number reported living.

RAILWAY PROGRESS.—The Omro *Republican* says that the work of grading the line of the Ripon & Wolf River R. R. is progressing rapidly. A hundred and twenty men were at work on it last week. This road, when completed, will form a very important feeder to the Horicon Railroad, connecting at Ripon.

DEATH OF A PHILOSOPHER.—The French Philosopher, Compte, is dead. He was a thorough materialist, and it is asserted that he had never entirely recovered from a fit of insanity which he had in 1826. He died very poor.

GENERAL HASKELL INSANE.—The Nashville (Tenn.) *Banner* states that Gen'l W. T. HASKELL, late member of Congress from that District, and a man of brilliant talents, has become insane, and is to be sent to an Asylum immediately.

LETTER FROM GOV. BASHFORD'S PRIVATE SECRETARY.—We copy the following letter from Mr. HOPKINS, GOV. BASHFORD's Private Secretary, from the Madison *Journal*. It tells its own story, and needs no comment except that is another of the denials of the calumnies heaped upon the Governor and his friends, and the demand for proofs which the calumniators cannot give. We presume that the libellers will continue their shameless work through the campaign:

Letter from the Governor's Private Secretary.

MADISON, Oct. 1, 1857.

To Col. Hart of the Milwaukee American:

In your paper of the 30th inst., I find an article, under the caption of "Governor Bashford," in which the following paragraphs occur:

"Some time ago the *News* charged Mr. Bashford with having slipped his finger into the corruption pot and taken therefrom $10,000 in cash, and $50,000 in bonds from the La Crosse Railroad Company. We, who have battled with corruption for a year, never cast our eyes so high as the Executive Chair, with the suspicion that Mr. Bashford, its occupant, had outraged the dignity of his office, the honesty of the State, and his own oath of office, by taking the thirty pieces of silver for his official sanction to a railroad bill. Yet the charge is not denied by either the Governor or his Secretary, who, we hear from the same source, accompanied His Excellency to the La Crosse office, and was with him when the money and bonds were given him. Rumors of a like tendency were about for months in this city, and have never been contradicted officially or privately.

* * * * * * *

Our investigation so far leads us honestly to believe that Mr. Bashford did receive the cash and bonds; and as his office required no such payment from the La Crosse Railroad, we now ask the Governor for what services or valuable considerations did you receive the said sums?—If the Governor is away, and it is true that his private Secretary was with him, Mr. Hopkins—in the Governor's absence—ought to step forward and acknowledge or deny the charge."

I cannot, in justice to the Governor or myself, suffer this to pass unnoticed, lest my silence might be construed into a tacit acknowledgment of the charge. You call upon me, in the absence of the Governor, "to step forward and acknowledge or deny the charge," as you state that you are informed *upon the same authority*, that I "accompanied His Excellency to the La Crosse office and was with him when the money and bonds were given him." In response to your demand, I wish to state, emphatically, that this is utterly false, and without any foundation in fact. I desire to say further, that I have no knowledge, nor do I believe that Governor Bashford ever received one dollar, either in money or bonds, from the La Crosse R. R. Company, for any act of his, official or otherwise. I desire also to state that I never received for the Governor, or for myself, or for the Governor and myself jointly (as has been intimated) one dollar either in bonds, money, or any other valuable consideration, from the La Crosse Railroad Company or from any member of that Company, for any act performed or favors granted to them. So far as my knowledge extends, I pronounce this charge, and all others of a kindred nature, false. I hope I have been sufficiently explicit, as I do not desire, and shall not engage, in any extended newspaper controversy.

I am, sir, very respectfully yours,
B. F. HOPKINS.

GREAT CURIOSITY.—At the county Fair at Baraboo last week was a piece of a white oak tree, with a part of an elk horn grown in the solid wood. It was found a few miles west of Baraboo, near the river; the tree was about two feet through; and the horn was discovered by one or two projections from the side of the tree which appeared like dry limbs, but which, upon attempting to cut them, proved to be horn. The horn, some four feet long, was found to be mainly embedded in the heart of the tree, but some of its branches or prongs projected from the side of the tree. A part of the tree, including apart of the horn, was cut out and shown at the Fair.—*Kilbourn City Mirror.*

WISCONSIN APPLES.—THOS. RICHARDS brought in last week, twenty-five bushels of apples from his farm four miles north of Oshkosh, and disposed of them in our market. The show of apples at our County Fair was creditable to our citizens, and establishes the fact beyond controversy, that we can raise good fruit in Winnebago County.—*Neenah Conservator.*

The Prospect for Kansas.

The disadvantages and disqualifications imposed by the bogus Territorial Legislature upon the Free State men of Kansas are such that we look for the result of the election (held yesterday) with gloomy forebodings, so far as the Legislature is concerned. The whole territory has been so gerrymandered, that the large free state majority is for the most part frittered away, while the Convention, composed exclusively of Pro-Slavery men will meet again, directly after the election, and form a Constitution which will recognize Slavery, and it is openly boasted by the delegates that a large majority are opposed to submitting the Constitution to the people.—They intend to send it directly to the next Congress, which is largely in the interests of Slavery. The free state men, however, can and will elect Mr. PARROTT, their delegate to Congress, if they are not too outrageously swindled at the polls.—It seems that the Border Ruffians are really preparing to take part in this election, and there will doubtless be trouble in some of the voting precincts. The Lawrence *Herald of Freedom*—a paper which is recognized as the best authority by our democratic friends—says, under date of Sept. 26th:

We learn that small parties are coming into the Territory on all the public highways from Missouri, and are passing to the western part of Kansas. On Thursday last, some gentlemen came down from Tecumseh. They report meeting some ten covered wagons on the route, all filled with men, and all going west, and none of them loaded with other than bottles of bad whiskey, a small quantity of provisions and camp fixtures.

Parties were coming in a week or ten days before the election on 30th of March, 1855, and their appearance at this time again looks ominous. If they have come here to interfere in our franchises, come from where they may, we sincerely hope they will never be allowed to return to their homes alive. They deserve death, as much as would a wolf who should intrude upon a poultry yard in the night and steal away the fowls. There is no crime so base, and none which deserves such severe penalties, as robbing a people of the right of self-government.

A friend writes us from Ossawatomie, that small parties are coming over from Missouri, and are spreading themselves over the territory, their ostensible purpose to make settlements, as has been the case when they have made forays upon the territory in the past—their real object to get possession of and control the election. If such men interfere in, or attempt to control our elections, we shall not care how many are converted into *permanent* settlers.

The Lawrence *Republican* says that Col. Titus, who, it seems, has got out of the St. Louis calaboose and returned to Kansas, in a fit of drunken communicativeness, boasted of the certain triumph of the pro-slavery party, and "when asked how they expected to carry the election, with the present preponderance of free state voters, he said:

"All the Indians, who were with them, would vote; and, besides, he knew of more than a thousand pro-slavery men in Missouri who had claims in the Shawnee reserve, who would be on the ground, and pro-slavery judges would receive their votes. The blue lodges would send hundreds, yes, thousands, into the territory—not in an army, but quietly, who would claim a residence, and would, in like manner, vote. They had been organizing for this purpose since last spring."

FAILURES OF NEBRASKA BANKS.—The St. Louis *Democrat* has the following letter from Omaha, Nebraska, in relation to the failure of two of the wild-cat concerns of that Territory, and a banking house connected with them;

OMAHA, NEBRASKA, Sept. 24, 1857.

The great topic here is the bank failures. On Monday the 21st, the Western Exchange bank of this place, and the Fontenelle bank of Bellevue failed, and yesterday the private banking house of Benton & Town, of Council Bluffs, successors to the well known house of Greer, Weare & Benton, suspended. These three concerns were connected with each other, and the failure of one affects the whole. The failure of the Western Exchange bank took the public by surprise. Its managers were supposed to be wealthy and honorable men, but it now appears likely that both these suppositions were wrong. The statement published the morning of the failure, shows the concern to have outstanding currency to the amount of about a hundred and twenty thousand dollars, and among the assets are a hundred and three dollars in specie, and a hundred and sixty dollars in current bills. The loss to billholders in this immediate vicinity will not be large, as the circulation is mostly held in Illinois and Eastern Iowa, but the loss to depositors will be heavy, and will cause considerable suffering in some cases, for the concern had the entire confidence of the people, and many had all their money in it.

As usual in such cases, there are charges of dishonesty, and every day seems to add to the excitement. The president of the bank, Thomas H. Benton, jr., of Council Bluffs, has assigned it to three trustees: Dr. Lowe, Col. Parker, register in our land office, and the former teller, Mr. Wyman, who will wind up its affairs without delay.

POOR PROSPECT.—The Omro, Winnebago Co., *Republican* says:

Numbers of the Milwaukee *News* have been circulated from the Omro P. O., by individuals interested in the success of the Democratic party next Fall, we suppose. No use circulating the documents *here*, gentlemen—you can't proselyte the sturdy Republicans who compose an overwhelming plurality in these "diggins."

WAUPUN BANK SUSPENDED.—We were sorry to learn on Wednesday morning that the Waupun Bank in this village had closed its doors, being no longer able to withstand the repeated and stunning blows received from the recent failures in the East, with which came the depreciation of Missouri stocks, and the necessity of renewing deposits in the Comptroller's Office. Mr. Hills, its proprietor, struggled long and manfully, but to no effect, and only suspended when it was impossible to do otherwise. So great is the faith of this community in his honesty and integrity, that no undue excitement marked the occasion, and depositors even now feel comparatively safe. We sincerely hope that the suspension may be but temporary, and that Mr. H. may soon be enabled to renew operations.—*Waupun Times, Oct. 5th.*

oct3 BLAIR & PERSONS.

THE DAILY SENTINEL.

DOES IT PAY TO FAIL?—The *Independent* says thousands of merchants are taking advantage of the "panic" and suspending, when with effort they could go on, and do their duty to their creditors and pay in full. It requires only a will and a perseverance to accomplish it, but they consider they can make more by stopping, so they hold up and compromise; and the sight one witnesses is the men in market buying for cash. In the crash of '36 Mrs. Snuggins was mourning over the desperate fortunes of her husband, who expected every day to "go," and stepped into the house of her friend, Mrs. Giggers, for a little outpouring of her feelings, and to get a little sympathy. "I believe Snuggins will make a bust up before long; I don't b'lieve he'll stand it, and I'm most crazy about it." "Lor, well Mrs. Snuggins, I would not take on so; don't fail then, that's my advice; Giggers, he failed for fifty thousand last spring, and we've figured it up since, and come to reckon it all up, and take the trouble of the thing, and the abuse of the dirty creditors, and all the false swearing he had to do, Giggers and I made up our minds upon the whole, what we made out of the operation didn't more than pay, in fact hardly that."

HOARDING.—Now is the time when gold dollars are hid in old stockings. Now is the time when sixpences are tucked away in snub nosed teapots. Now money is laid by in cupboards—for mice to nibble; thrust into corners—for thieves to rummage; carried in wallets for pickpockets to grab at; hid behind the wood work—for the next generation to find; and buried in the ground, to be lost and forgotten. Now men rush frantic to draw cash out of safe places and put it into unsafe ones. Now poor families lose five per cent, for the privilege of having their savings where they will keep them awake of nights. Now Farmers hang up deposits in the shot pouch behind the door; housewives sew up gold pieces in their skirts and travellers weigh themselves down with body belts of coin. Now the unprofitable servant who hid his talent in a napkin is canonized into a bright and shining Scriptural example, while those who "put their money to the exchangers" are looked suspiciously upon, as rash speculators in Jewish Fancy Stocks. Now all money is distrusted but such as can be heard to chink. Now men privily put all their cash under lock and key, and then publicly lament that it has ceased to circulate. Now men with full pockets refuse either to pay their debts or to forgive their debtors. Now the butcher must wait and the baker must go unpaid, and the printer must be put off for the nineteenth time. The era of hoarding has come round again with all its blind, unreasoning fears, and all its self-imposed curses of poverty, idleness, distrust and decay.—*Albany Evening Journal.*

☞ It is related of a Frenchman who had deposited a sum of money for safe keeping with a friend, that hearing the latter was about to fail, he called upon him and said: "Sare, I vants my monie." "Certainly, sir," replied the other, drawing out his check book, from which he was about to fill up a check, when the Frenchman said, "Stop, sare, you got de monie?" "Why, of course," said his friend, "I will give you a check for it immediately." "No, no," said the Frenchman, "if you got de monie, I no vant him, but if you no got him den I vants him."

The Mexican government is endeavoring to induce emigration to that country from the United States. A free passage by steamer from New Orleans is offered, and twenty-five acres of land, with a lot in what is designed to be the central village of each colony thus established. The offer is open to emigration of all classes; but those who are expected to avail themselves of it most largely are the better classes of free blacks and mulattoes in the southern States. Many of these are already possessed of some property, and are abundantly able to manage business affairs.

AUCTION SALE OF LOTS in the 6th Ward, Wright's Addition, adjoining Sherman's. This well known addition has been placed in our hands to be disposed of to those who desire to build and improve.—The confidence which we feel in the intrinsic value of this property, and the knowledge we have of the demand which exists for it, induces us even at this time to offer it at Public Auction.

Every resident of the ward is perfectly familiar with the location of these lots. They have hitherto been kept out of market by the owner, notwithstanding the superior advantages which they offer for residences, but the growing demand for them and the desire to improve the value of the residue of the property, induces him to offer a portion of them on terms which will induce others to come on and purchase, so that both he and themselves may benefit by the enhanced value will be given by their improvements. The size of the lots, 50X120, is of itself a great consideration to persons building, as it affords space for raising cabbages and other vegetables, which will repay the labor bestowed on them. The sale will take place at our office on Michigan Street, at 10 o'clock in the forenoon of the 20th inst.

MEDICAL.

THE GREATEST
MEDICAL DISCOVERY
OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered, in one of our common pasture weeds, a remedy that cures
EVERY KIND OF HUMOR,
FROM
The worst Scrofula down to a common Pimple.
He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warranted to cure the worst canker in the mouth or stomach.
Three to five bottles are warranted to cure the worst kind of Erysipelas.
One to two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two or three bottles are warranted to cure the worst kind of ringworm.
Two or three bottles are warranted to cure the most desperate case of rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skilful physicians and the most careful Druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all the afflictions which these diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural serenity, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follows a train of diseases which the Medical Discovery is peculiarly adapted to
CURE:
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip-joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases the
PILES.
How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind, that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly,
DONALD KENNEDY.

BOERHAVE'S
HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,
Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.
This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.
